ADOPTED: April 22, 2008

REVISED:

908. RELATIONS WITH PARENTS/GUARDIANS	
1. Purpose	The Joint Operating Committee believes that the education of students is a joint responsibility that it shares with parents/guardians. To ensure that the best interests of each student are served in the educational process, a strong program of communication between home and the center must be maintained.
2. Authority	The Joint Operating Committee feels that it is the parents/guardians who have the ultimate responsibility for their child's behavior in school, including the behavior of students who have reached the legal age of majority but are still, for all practical purposes, under parental authority.
SC 1317	During school hours, the Joint Operating Committee acts in loco parentis, or in place of the parents/guardians, through its designated administrators.
